# Welcome to Crich Tramway Village

Home of the National Tramway Museum

We are delighted that you have chosen to spend your day with us and hope that this guide will help you make the most of your day. **If there is anything we can help you with, please ask a member of our team.**

## Access for all

If you have a pushchair or wheelchair, look at the dotted route around the map on the inside of the guide. This shows a smoother pathway and dropped kerbs. We have disabled access to all our buildings, however if you need any further assistance, please don't hesitate to ask a member of our team.

Our access tram is specially designed to take wheelchairs and light motorised scooters. This runs at 11:30am and 2:30pm on request. Please ask our admission staff or tram crew for details. There is currently limited access for the less able at Glory Mine Tram Stop and to the Crich Memorial Stand.

Please be aware that although the Museum has taken measures to improve access for all, there are areas with gradients and uneven surfaces.

## New for 2015

This year we will be shining a spotlight on how our tramways continued to operate during the First World War. The outbreak of the War had a significant impact on the country's tramway operations, and our new temporary exhibition, ***Tramway Tommies and Clippie Girls,*** will look at how the recruitment of men for the army left many tramways short of staff for the tramcars. For the first time, women took on active roles in an industry that had been predominantly male-orientated, in order to keep the country's trams on track and moving.

LORD KITCHENER WANTS MORE YORKSHIREMEN
YOUR COUNTRY NEEDS YOU

We will also be transforming one of our tramcars into ***an operational recruitment tram,*** as we explore how tramways helped to promote enlistment in the army during the First World War. Visitors will have a chance to ride on this specially decorated tramcar.

The recruitment car will run every* Tuesday, Thursday and Saturday from 18th April until 29th September excluding special event days. When not in service it will be on display on the depot fan.

*The recruitment car will run subject to availability and inclement weather

COLLECTION OF
ARTEFACTS
FROM
WW1

New this year: on selected days our 1874 ***horse tram,*** Sheffield 15, will be in service for visitors to ride on. The horse tram will be in service along with the electric trams on Wed 13th and Tues 19th May, Wed 15th July, Tues 18th and Thurs 20th August and Wed 16th September.

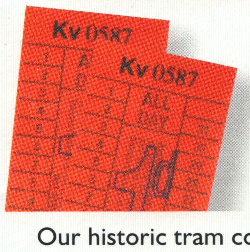
VILLAGE

## Talks and Tours

Look out for the ***guided tours which take place daily**** at 11:15am & 2:15pm from outside the Derby Assembly Rooms and 12:45pm just inside the Exhibition Hall. Tours last up to 40 minutes and all are welcome to join.

*Subject to availability. Excludes event weekends, Monday 6th April and Monday 4th May.

## Unlimited Tram Rides



Use your old penny or halfpenny as payment on the tram for ***your all day ticket.*** A minimum of 3 trams run approximately every 10 – 15 minutes from Town End Terminus. Each trip takes 20 minutes.

Our historic tram collection built between the late 1880s and the 1960s were never designed to carry pushchairs or buggies. We suggest you take the short stroll down to Town End and park in the specially dedicated 'Buggy Park' whilst you enjoy your trip. Please do not leave any valuables.

## Make a Donation

Donations to the Tramway Museum Society to help develop and protect the work we have done at Crich for over 50 years are ***always welcome.***

We are a registered charity and independent museum relying on our entrance fee to cover running costs. Any projects, including tramcar restoration, often require help via donations.

You can donate by TEXT via your mobile phone by texting TRAM45 £10 to 70070. To donate another sum just replace the £10 in the example with any amount from £1. For details on how it works please see ***http://www.justgiving.com***
